Multiple Award-Winning Contemporary Gospel Artist Fred Hammond Brings “Summer Fest 2010” to Raise Awareness by “Helping People to Build a Better Tomorrow Through Changing One Life At a Time”

(Tulsa) – Grammy award-winning Gospel artist Fred Hammond has teamed up with [Fitting Back In](#) & [World Won for Christ](#) in an effort to increase awareness and educate the community about Fitting Back In. This locally sponsored Movement will bring “**Summer Fest 2010**” to Tulsa at 7:00 pm on August 14 at the [Mabee Center](#). The concert Summer Fest 2010 is sponsored locally by [Fitting Back In & World Won for Christ](#).

The money raised from the Summer Fest 2010 concert is to help those trying to “fit back in”. The Fitting Back In program works to meet the needs of individuals, prior to and immediately following their release from Oklahoma Department of Corrections. It helps to provide and make accessible, necessary mental health, medical and social services upon re-entry into society. Fitting Back In is a three-phase program, involving a prisoner pre-release preparation course and an 18-month aftercare program.

In addition to the many social movements within the local community that have been rooted in the church, Hammond’s partnership with the Fitting Back In Movement will help people strive to develop life skills and, with the help of the teachers, advisors and fellow students, become enriched within the Fitting Back In experience.
